

## *2 Dunes Welcome Package*

Thank you for choosing 2 Dunes as your summer beach destination. We're sure you're going to have a great stay! Enclosed in this package you will find general information about our property to help everyone enjoy their holiday.

**Check in time: 4:00 pm**

**Check out time: 10:00 am**

Cottages are clean, fully furnished and include microwave, coffee maker, stove and fridge, pots and pans, dishes, cutlery, and other essentials.

**2 Dunes are housekeeping cottages. You will find cleaning supplies in your unit. Upon checking out please be sure to leave the cottages as you found them! Make sure to put away all dishes after washing, do not leave on counter. Cottages should be fully swept. Please be sure to return any items borrowed from another cottage prior to your departure. Don't forget to check under beds, etc for any personal items. Do not leave any windows open upon your departure – if it's windy or rains the cottages fill up with sand.**

Upon arrival you will find your cottage door closed but unlocked. Your key will be left on a hook inside. When you leave please leave door unlocked with the key where you found it.

There is a garbage can located just outside of your front door which you can place your household garbage in. If it becomes full there is a large Mars garbage bin located towards the front of the property near the wood pile. **Make sure to empty all garbages in your unit and your outdoor garbage can upon check out, placing all garbage in the large Mars bin near the wood pile. Do not leave any garbage in your unit!**

2 Blue boxes are located outside each cottage to separate empty alcohol containers from recyclables, 1 extra large and 1 small. Use the extra large bin for recyclables and the other for all liquor empties. We will take care of blue boxes when we are there.

Each unit has a barbeque with a propane tank. If your tank empties during your stay there are extra tanks located beside the white tool shed.

Firewood is stacked near the Mars garbage bin. Please be careful while taking wood off the pile. Please do not let children play near the woodpile. Do not burn any plastic or garbage in the firepits. Be mindful of your neighbors and the smoke when having a fire. **While we happily supply firewood for our guests it is not free for us, please keep this in mind.**

We are on a septic system, if you could use sparingly ☺

Quiet time is between 10:00 pm and 8:00 am.

Always remember – pets are like children. You love your own but everyone else does not ☺! **If you bring your pet** please be mindful of all guests and neighbors. Dogs **must not** be allowed to roam around the property unattended, they **must** be on a leash. Please keep your dog to your area only and **do not** allow it to approach other guests. Be sure to clean up after your pet and do not allow your pet to soil the beach. **Do not allow your dog to bark constantly! Do not allow pets on the furniture or allow them to use the bedding we supply**, otherwise there will be a cleaning charge.

The blankets in the cottage are for indoor use only. **Do not take blankets outside of the unit**, they must remain in the unit.

**!!All cottages are non-smoking – this includes marijuana!** If you are a smoker **DO NOT butt your cigarettes on the ground or put them in the sand**, dispose of them properly!

Umbrellas – **PLEASE DO NOT** leave your umbrellas open if you are not using them. They damage very easily in the wind.

**Extra parking** – Each cottage has room for one car to park in front. Across from the wood pile is a large open area for extra parking. Do not park your car in front of the brown shed as we access it constantly. Do not block the laneways or the area in front of the cottages in case an emergency vehicle needs access.

2 Dunes Beachfront Cottages are located on a private beach which is for our guests use only. While anyone is allowed to walk up and down the beach, they are not allowed to “set up camp” on private property. The same goes for our neighbors beach, it is their private property – please do not lounge on their property.
